

SYSTEQ

## Environmental Policy/Mission Statement:

Date: 1<sup>st</sup> June 2023.

We are committed to environmental excellence and pollution prevention, meeting or exceeding all environmental regulatory requirements, and to purchasing products which have greater recycled content with lower toxicity and packaging, that reduce the use of natural resources.

We are also committed as a company to Reuse, Recycle or Repair any products wherever possible. We take great pride in the quality and life span of our equipment.

We will only use recycled packaging for new or recycled products. With limited use of plastic where possible.

The sole purpose of SysteQ is to manufacture energy saving control equipment. Looking after the environment is second nature to SysteQ Ltd.
